

We're Ready for you!

We are excited to welcome guests back to the Colorado Convention Center and Bellco Theatre. Our staff has worked diligently to develop and implement a safe plan for the return of guests. As always, our main goal is to ensure the safety and well-being of our guests and it is our hope that your experience is enjoyable and as safe as possible.

Utilizing the ASM Global Venue Shield program, new protocols in place were developed to help you feel confident, safe and comfortable when coming to an event. As much as our staff is in place to keep you safe, we need you on our team as well.

Please understand that from time to time this information may change and that due to staff shortages, updates may be delayed. Feel free to reach out to info@denverconvention.com at any time with questions you may have.

We Have Prepared

We have achieved the GBAC Star™, the cleaning industry's only outbreak prevention, response and recovery accreditation for facilities. Successful GBAC Star™ facilities like ours are able to demonstrate that correct work practices, procedures and systems are in place to prepare, respond, and recover from outbreaks and pandemics.

VACCINATION

As of September 30th 2021, all ASM Global Staff will be vaccinated as well as all ASM Global contracted staff performing any work.

Be Ready For Us

Face Coverings

In Denver, the decision to wear or require face coverings is currently at the discretion of individuals, each business or facility except that all individuals must comply with any state or federal mask requirements. **Please note an event may dictate a requirement to wear masks so please check prior to arrival.**

Be aware when that separately, a federal requirement for face coverings on public transportation, including public transit networks, airplanes, buses, trains, taxis, Ubers and Lyfts continues.

Vaccinations

The Colorado Convention Center is not requiring proof of vaccinations to enter the facility for events. Please keep in mind, each individual event creates their own policies as it relates to proof of vaccinations or even mask wearing so please make sure to check with the event or us before arriving should you have questions.

Hygiene

Hand sanitizer is readily available for your use throughout the Colorado Convention Center and Bellco Theatre. Guests are allowed to bring in a small, clear hand sanitizer bottle. Janitorial crews will monitor restrooms and public areas will be cleaned thoroughly throughout each event.

Water Bottles

Guests are allowed to bring in an empty, refillable water bottle to fill up at our water fountains. Water fountains may be found by all bathroom locations throughout the facility.

Sick or Exposed

If you are not feeling well, please stay home!

COVID-19 symptoms may* include:

- Fever or chills,
- Cough,
- Shortness of breath or difficulty breathing,
- Fatigue,
- Muscle or body aches,
- Headache,
- New loss of taste or smell,
- Sore throat,
- Congestion or runny nose,
- Nausea or vomiting, and/or
- Diarrhea.

**This list is not all-inclusive. Please consult your medical provider for any other symptoms that are severe or concerning.*

COVID-19 Warning

You must follow all Colorado Convention Center and Bellco Theatre policies, including City of Denver health and safety policies, and posted instructions while on our grounds and in our facilities. An inherent risk of exposure to COVID-19 exists in any public place where people are present. COVID-19 is an extremely contagious disease that can lead to severe illness and death. According to the Centers for Disease Control and Prevention, senior citizens and those with underlying medical conditions are especially vulnerable. By entering the Colorado Convention Center and Bellco Theatre and grounds, you voluntarily assume all risks related to exposure for COVID-19.
