Approved Vendors List

Approved Client Vendor Program

To ensure your event at the Colorado Convention Center (CCC) delivers an exceptional experience from start to finish, we've curated a trusted network of approved event service providers. All vendors on our approved list have been thoroughly vetted by Legends Global to meet the highest standards of professionalism, reliability, and quality. These partners have provided verified references, maintain appropriate insurance for each event, and hold all required certifications or licenses. We also ensure they remain fully compliant with local and state labor and wage regulations—giving you complete confidence in every aspect of your event execution.

While we do maintain preferred and exclusive relationships with select providers, our priority is your success. We do not receive financial compensation when an approved vendor services your event—our focus is simply connecting you with partners who consistently deliver outstanding results. This program is designed with your protection in mind. By working with proven, high-performing vendors, you reduce risk and gain peace of mind knowing your event is supported by experienced professionals. We continuously monitor vendor performance and uphold strict quality standards to ensure every CCC event reflects excellence. Have a vendor you already know and trust? We're happy to help. Simply connect with your Event or Sales Manager, and we'll guide your vendor through our complimentary approval process—no fees required. Our team will review their qualifications promptly so you can move forward confidently. At the CCC, our goal is simple: to provide you with the resources, partners, and support needed to create a seamless, successful, and memorable event.
