The Colorado Convention Center

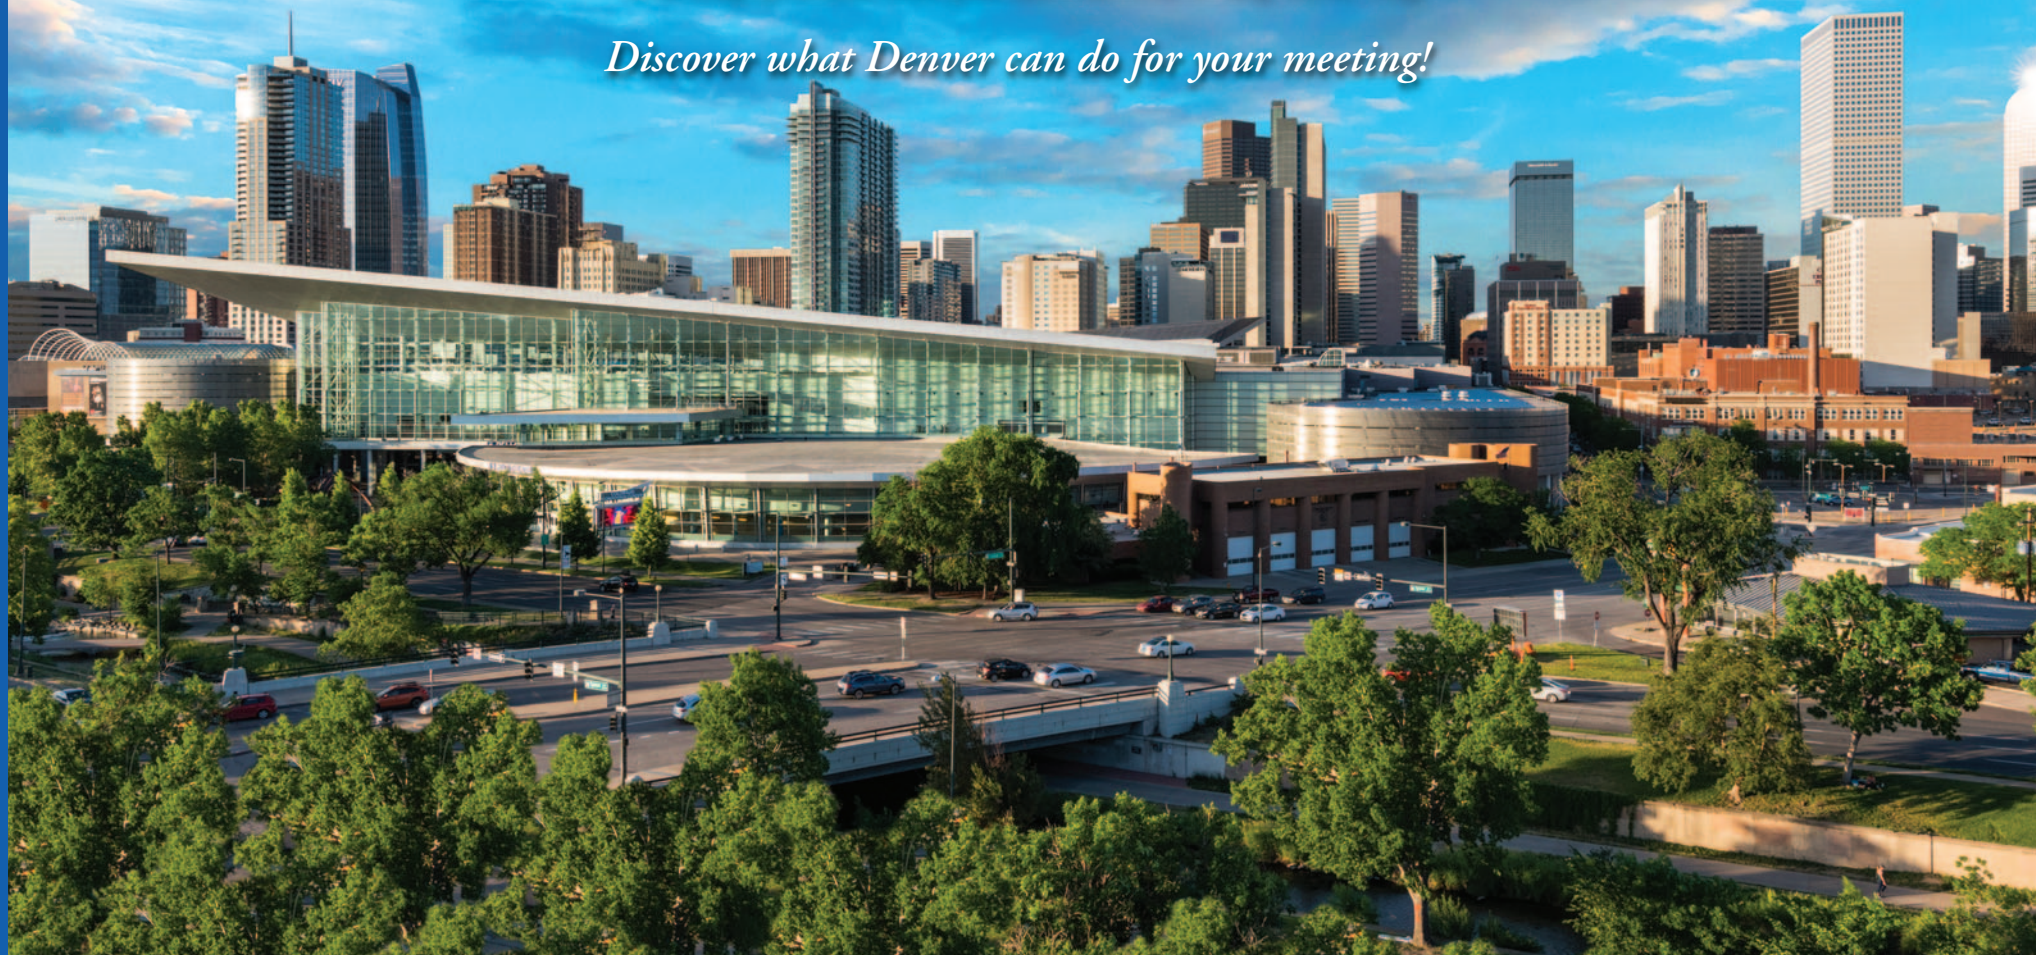
Designed by Meeting Professionals. For Meeting Professionals.

The Colorado Convention Center

The Colorado Convention Center (CCC) is one of the most practical meeting facilities ever built. And one of the most beautiful. From the extensive public art program to the spectacular views of Denver and the Rocky Mountains, the CCC provides four-star service and modern amenities...all in a central location within easy walking distance of more than 11,000 hotel rooms and Denver's compact, vibrant downtown.

A unique and strong partnership between VISIT DENVER and the Colorado Convention Center team of ASM Global and Centerplate makes booking and executing an event a hassle-free, one-step process that you will not find in any other city.

Discover what Denver can do for your meeting!



PROPOSED DESIGN - VIEW FROM TERRACE LOOKING TOWARDS WEST

The Colorado Convention Center is Expanding!

The upcoming expansion will make the Colorado Convention Center (CCC) the best and most user-friendly meeting and event space in the nation.

New features will include a new 80,000 square foot column free multipurpose room and outdoor rooftop terrace with sweeping views of the city skyline and mountains. The project will be the largest ballroom in Colorado and expand one of the largest building in Denver.

Both the pre-function and outdoor event spaces will have spectacular, unobstructed views of the Rocky Mountains and city skyline, allowing attendees to take advantage of Denver's 300 annual days of sunshine.

Technology improvements will position the CCC as a best-in-class facility, keeping pace with current technologies and demand, including increased capacity for Wi-Fi and streaming video.

For more information on the progress of the expansion, visit CCCExpansion.com.

The Colorado Convention Center Floor Plans

THE COLORADO CONVENTION CENTER CONSISTS OF JUST THREE LEVELS:

1

EXHIBIT LEVEL

All 584,000 square feet of contiguous exhibit space is on one level, one floor up from street entrances.

2

MEETING ROOM (STREET) LEVEL

The street level has 63 meeting rooms offering 100,000 square feet of meeting space, served by six lobby/registration areas and four shuttle drop-off zones (three of them covered). There is access from this level to the 5,000-fixed seat Bellco Theatre.

3

BALLROOM LEVEL

The lower level features two hotel-quality ballrooms: The Mile High Ballroom is 50,000 square feet, and the Four Seasons Ballroom is 35,000 square feet, each with its own spectacular pre-function space. Both ballrooms offer state-of-the-art lighting and sound options.

1 Exhibit Level

The Colorado Convention Center (CCC) offers 584,000 square feet of contiguous exhibit space – a 14-acre room, all on one level.

The six halls can be divided into spaces of approximately 100,000, 200,000, 300,000, 400,000, or 500,000 square feet.

Hall A's column-free center can accommodate unobstructed seating for 7,000 people.

Floor pockets are on 30-foot centers; columns are on 90-foot centers.

Two tradeshow offices located above halls A and F overlook the exhibit floor with large glass windows.

CONCESSIONS

The exhibit level features seven Centerplate concession areas that provide for a unique Colorado experience that celebrates the flavors and traditions of the Rocky Mountain region. The concession areas feature grass-fed beef burgers developed with Denver's own Chef Troy Guard, authentic Mexican tortas inspired by famed Mexican Chef Roberto Santibañez, and crispy thin crust pizza hand-crafted by Bill Pustari, owner of the award-winning Modern Apizza. In addition, the Little Blue Bear stands offer convention center staples such as house-made sandwiches and salads, along with local chili and sausage. All the menu items feature seasonal ingredients from local suppliers and produce from the CCC's very own Blue Bear Farm.

LOBBIES

The exhibit floor offers access to a total of 36,000 square feet of lobby space.

PARKING

There is a 1,000-space public parking garage built into the convention center with 650 covered spaces on the first two levels and 350 spaces on the open top deck.

LOADING DOCKS

The exhibit floor is served by 42 usable docks that can accommodate 80-foot trucks.

OUTDOOR TERRACES

There are two outdoor terraces off of the exhibit floor: To the west, facing Speer Boulevard, there is a 7,500 square foot terrace with mountain views; off of Hall D, to the east, a 1,350 square foot terrace faces 14th Street with city views off of Hall F.

ELECTRICAL AND TELEPHONE SERVICE

The CCC has trained electricians and telecommunications technicians to work directly with exhibitor services staff to handle all power and telephone needs.

INTERNET SERVICES

Founded more than 30 years ago, Smart City Networks is the nation's largest provider of event telecommunications and technology in the convention industry. They are also the Colorado Convention Center's exclusive provider of technology services and provide high-speed internet and turnkey data networking services, including: Wi-Fi solutions, local area networks, wide area networks and private networks using the latest technology.

Free internet is available at street level in all meetings rooms and public spaces, with connectivity speeds up to 768k up/down.

2 Meeting Room Level

All of the 63 hotel-quality meeting rooms feature state-of-the-art, computer-controlled audio capabilities, fiber optic, color-coordinated chairs and walls, deluxe carpeting and top quality lighting controls. The rooms range in size from a single meeting of 800 square feet to combined meeting rooms of 10,000 square feet.

The meeting rooms have service corridors to cut down on noise and are buffered from registration areas. Easy-to-read signage, an efficient room numbering system, overhead signs and numerous building maps make it simple to find rooms and navigate throughout the building.

3 Ballroom Level

The Colorado Convention Center has two hotel-quality ballrooms of 50,000 and 35,000 square feet.

MILE HIGH BALLROOM

This is the largest and most versatile ballroom in Denver, occupying 50,000 square feet of event space. The 50,000 square-foot Mile High Ballroom can accommodate more than 5,000 attendees for a general session or more than 3,000 guests for a catered event. It can be divided into 18 individual rooms in up to 180 different configurations.
The ballroom is served by 20,000 square feet of dedicated lobby space that works as a beautiful pre-function/reception area. The ballroom features color-coordinated deluxe carpeting and walls; advanced lighting controls that can create a starry night effect in any color; computer-controlled audio and lighting; and wireless Internet capabilities.

FOUR SEASONS BALLROOM

The Four Seasons Ballroom offers 35,000 square feet and can seat 3,472 people theatre style or 2,260 for a banquet. It is served by a spectacular 13,024 square foot pre-function area.

ACCESS BETWEEN BALLROOMS

A breezeway provides easy access directly from the Four Seasons Ballroom into the pre-function space of the Mile High Ballroom, allowing easy flow between the two spaces.

KITCHEN

Covering 35,000 square feet, this is the largest kitchen in Colorado. It is located on the ballroom level, providing easy access to all areas of the building. The kitchen can be easily accessed by service corridors from both ballrooms and all meeting rooms for easy and quiet use. Centerplate chefs make use of fresh produce, herbs and spices grown on the property of the Colorado Convention Center at the Blue Bear Farm.

Bellco Theatre

The Bellco Theatre, named one of the "top 200 Theatre Venues Worldwide" by *Pollstar*, is the perfect space for general sessions, lectures, concerts, comedy shows and family spectaculars.

LAYOUT

The theatre, when utilized to its full capacity, will seat just over 5,000. An in-house curtaining system can be implemented to eliminate the upper level seating sections bringing the capacity down to just over 3,700. The theatre can also be divided into three separate rooms seating approximately 1,300, 2,400 and 1,300 respectively, utilizing sound walls to allow for concurrent sessions. There are three "star" dressing rooms and a green room with direct backstage access. Five larger mixed-use rooms are available for chorus dressing, wardrobe, event dining or show offices.

OVERHEAD TENSION GRID SYSTEM

The overhead tension grid system can accommodate rigging points anywhere up and down the stage. Truss and motors are available.

MAIN STAGE

The main stage is 50x100 feet with custom thrust options and a basic drapery package.

TRUCK LOADING DOCK

The Bellco Theatre has its own truck dock with two end-load bays with one having side-load access.

RIGGING CAPACITY

The Trolley Beams can accommodate four 4,000-pound point loads or 500 pounds per square foot uniform load.

Elevate Your Meeting in The Mile High City!

Great facilities are just the beginning. Denver is a vibrant, outdoor city at the base of the Rocky Mountains, the world's most spectacular playground and the perfect backdrop to any meeting (and the perfect place for a getaway before or after a convention)!

DENVER INTERNATIONAL AIRPORT (DEN)

Recently named the best airport in the U.S. by Skytrax, DEN has one of the top three largest domestic networks. DEN offers nonstop service to nearly 200 destinations and fares that are 17 percent lower than the national average. In the last few years, DEN has added nonstops to Frankfurt, Tokyo, Paris, London, Zürich, Reykjavík, Panama City and Calgary, joining routes to Munich, Mexico City and beyond, for a total of 26 international nonstops.

DENVER UNION STATION

Direct rail service connects DEN with Denver Union Station, providing your attendees with a convenient and affordable way to get downtown fast.

YEAR-ROUND SUNSHINE

Located east of a major mountain range, Denver enjoys a mild, dry climate and 300 days of annual sunshine – more than San Diego or Miami!

HOTELS

From two headquarter hotels of 1,100 and 1,231 rooms to luxurious boutiques, Denver has more than 11,000 hotel rooms downtown and more than 50,000 throughout the metro area, with all brands and price points represented.

ARTS & CULTURE

Denver is the cultural hub of the vast Rocky Mountain West, with more than 300 museums, theaters and art galleries, including the famed Daniel Libeskind-designed Denver Art Museum and the nation's second largest performing arts center.

OFFSITE MEETING VENUES

In addition to the Colorado Convention Center, Denver offers many attractive meeting venues, including the Denver Performing Arts Complex, National Western Center, three downtown sports stadiums and the world-famous Red Rocks Park & Amphitheatre.

AFFORDABLE DENVER

Denver is a bargain, ranked as one of the most affordable cities for business travelers by Corporate Travel index, based on costs for food, hotels and rental cars. Downtown Denver is compact and walkable, meaning groups can save on ground transportation. A free shuttle runs up and down the 16th Street Mall, a mile-long pedestrian promenade running from Denver Union Station to Civic Center Park.

SHOPPING

Denver offers a plethora of shopping options, from the upscale Cherry Creek Shopping Center and tree-lined streets of Cherry Creek North to historic Larimer Square, downtown's 16th Street Mall and beyond, into the city's vibrant and diverse neighborhoods.

MILE HIGH DINING & NIGHTLIFE

Denver's dining scene has reached its breakthrough moment! From *Food & Wine* to the *New York Times*, Denver's reputation for fine dining has risen enormously, thanks to James Beard Award-winning chefs, innovative chef-owned eateries, gourmet markets, food halls and a focus on locally sourced cuisine. Denver is also home to more than 100 breweries metro-wide, as well as urban wineries, craft distilleries, dance clubs, comedy clubs, live music venues and more.

COME EARLY, STAY LATE

A Denver convention is just the beginning! The Mile High City is just a short drive from some of the most famous resorts in the world, offering outstanding skiing, golf, spas and dining, all in majestic mountain settings. You can experience the excitement of white-water rafting, zip-lining, hiking, mountain biking, national parks, old mining towns and more, and still be back in Denver by dinnertime.

PUBLIC ART

Denver devoted one percent of the construction cost of the CCC to public art. From lobbies to hallways, public art is visible at every turn, running the gamut from a 40-foot high blue bear that greets delegates as they enter the building, to a series of 14 stunning wall-size paintings depicting 500 million years of Colorado's geologic history.

The Blue Bear

Denver's famous 40-foot tall Blue Bear, actually called "I See What You Mean" by local artist Lawrence Argent, has become a Mile High City icon.

GREEN

The CCC was the first convention center in the nation to receive Level One certification from ASTM for its adherence to high standards for sustainable meetings. In 2015, the CCC achieved Level Two certification. The largest LEED certified building in Colorado, the CCC has a dedicated sustainability manager to help keep your meeting green.

The Blue Bear Farm

Basil and beans, peppers and parsnips, radishes and raspberries – these are just some of the 5,000 plants growing at the Blue Bear Farm. The on-site farm annually grows 5,000 pounds of fresh fruits, vegetables, honey and herbs, all of which are used in-house by chefs to deliver natural, healthy and delicious dishes to convention delegates.
