

Required Safety Equipment

Bullard Standard Hard Hat Ratchet Suspension ANSI Type 1 Class E

Radians Mesh Safety Vest
ANSI Class 2

REQUIRED SAFETY ITEMS:

Footwear: Footwear must cover the full foot, be flat heeled and have traction. It is strongly encouraged to wear protective shoe wear when working around heavy equipment that can be dropped or rolled.

Gloves: Gloves with fingers are required for those completing any loading activity or during specific material handling tasks. Hand protection is strongly encouraged in inclement weather.

Knee Pads/Mats: Knee pads and kneeling mats are provided by the Company and are strongly recommended when performing a task when kneeling.

Eyes & Ears: Eye and Ear protection is available to wear at any time.

Weather changes frequently, be prepared for changing weather conditions.

We recommended the following:

- Sunscreen, sunglasses, and protective headwear
- Rain Gear (jacket / poncho and layered clothing)
